We guarantee our granite monuments for life against cracks, breaks, or fissures due to an imperfection in the granite. In such event and as the sole remedy, we will cover the cost of replacing the stone. We reserve the right to inspect the monument and surrounding area before agreeing to a replacement. This guarantee does NOT cover natural veins that appear in the natural grain of the granite, acts of God, vandalism, damage done by cemetery or maintenance crews or similar events outside of our control.

Lettering Paint

We guarantee the black and white paint in our monuments for 10 years from the date of installation against any fading or washing out. In the event the paint was to wash out or fade within such period, as the sole remedy we will re-paint the monument at no cost to the consumer. We reserve the right to inspect the monument before agreeing to re-paint. We do recommend regular maintenance on the monuments to remove any hard water stains yearly. Many times what is considered fading is simply hard water build up.

There is NO guarantee on any other color of paint.
